CHRISTMAS PARTY NIGHTS

Make it Sparkle

Save time on the night and pre order a selection of drinks to be ready and chilled on your table. Buckets of beers, bottles of wine... or how about something sparkling? Who can say no to Prosecco?

If you want to keep things free and easy for your whole group, why not book a private arrival room and beat the queues of the bar. With a selection of areas to choose from, your own member of staff and your own private bar* it is the perfect way to start off your Christmas party!

*private areas are booked on a first come, first serve basis. Areas are available from 6:30pm until your party is seated for dinner.

Ride the Lift to Bed

Your Christmas party only happens once a year so who wants to be worrying about where to park or how much a taxi is going to be? Ride the lift to bed instead with bed and breakfast rates starting from just £25 per person*.

*price of room may vary between hotels. Rate quoted is based on 2 people sharing and is subject to increase without notice.

One Big Fancy Dress Party

Keep a look out for the Christmas Tribute Nights marked with an * and you'll find free shots for the best dressed on the night!

The Perfect Gift

This could be the perfect idea... or you could have just left it a bit too late! Purchase an FCD Hotels gift voucher for your special someone this Christmas. Gift vouchers can be used on tribute nights, afternoon tea, accommodation and more. Contact one of the hotels to find out more!

Always Time for Tea

There's always time for tea and cakes at the Inn on the Lake. Festive afternoon tea runs from November to January and features a selection of Christmas themed cakes, mince pies, scones, cranberry brushed sausage rolls and Christmas inspired finger sandwiches.
